## Animation & Visual Effects Projects

### **Meltdown**

*Lead Animator, Modeler, Compositor*

Drexel University  
April 2016 – June 2016

- Supervised and animated all characters of a seven minute long film
- Modeled, rigged and textured one main character and many background elements
- Composited nearly one third of all shots with color correction and corrective rotos
- ( [Meltdown](#) )

### **You Lose!**

*Project Creator*

Drexel University  
Dec 2014 – March 2015

- Lip-synched and animated a character to a popular line of dialogue from a movie
- Completely modeled, rigged, textured and animated an original character
- ( [You Lose!](#) )

## Work Experience

3FX

*Junior Animator Intern*

Blue Bell, PA  
March 2015 – August 2015

- Produced works of animation for instructional videos, demos and commercial businesses
